TIPS TO HELP YOU GET ACTIVE

HOW DO I START EXERCISING?

STEP 1: FIND AN ACTIVITY THAT YOU LIKE

Try lot's of different activities, you will find at least one that you enjoy.

STEP 2: START SMALL

Begin slowly & work your way up. Don't rush!
Try starting with:

- ✓ Climbing the stairs
- ✓ Brisk walking
- ✓ Pool walking
- ✓ Park further from home/office and walk more!

STEP 3: FIND A BUDDY

This can be your family, your friend or from a group exercise (tai-chi, line dancing).

+ A buddy makes exercise fun

STEP 4: PICK A GOAL

Create a realistic and achievable goal.
For example:

Week 1: Walk 15 min for 3 days
Week 2: Walk 20 min for 4 days
Week 3: Walk 25 min for 5 days
Week 4: Walk 30 min for 5 days

Slowly build up until you are able to achieve 30min of exercises for 5 days a week or 8000-10,000 steps a day.

STEP 5: SCHEDULE IT

Think of ways to link activity to daily life. The more regular you do, the quicker become a habit!

DON'T GIVE UP

You are moving your way for a healthier body, the reward is worth it!
